

Canada

A large, high-resolution image of the Canadian flag, featuring a prominent red maple leaf in the center, is the background for the entire page. The flag's white field and red vertical bands are visible, with the maple leaf being the central focus.

Membership DIRECTORY 2026

AS OF JUNE 19, 2026

BUILT FOR THE PACE OF ANY HEALTHCARE FACILITY

Canadian-made disinfection technology with contact times that align with how facilities actually operate.

- ✓ **One-minute virucidal contact times** for key respiratory pathogens.
- ✓ **Validated efficacy against resilient animal viruses.**
- ✓ **Designed and manufactured in Canada.**

Hydrofect EHP – *Now Available!*

DUSTBANE
Give Meaning To Your Cleaning +

ISSA Canada is the association formed in 2017 as a result of the merger of ISSA, the worldwide cleaning industry association, and the Canadian Sanitation Supply Association (CSSA).

With a goal of "changing the way the world views cleaning," the purpose of ISSA Canada is to provide a high degree of professionalism, technical knowledge and business ethics within the membership. Representing the leading product/service providers in the industry, the association promotes a greater public awareness and understanding of sanitary maintenance principles, while contributing to improved public health and environmental awareness in Canada.

The purpose of this Membership Directory is to provide buyers of sanitary maintenance products and services with a resource to ensure they are dealing with the professional leaders of the industry.

NEW

Now available in Metric!

For decades, the **Official ISSA Cleaning Times** guide has been the industry's most trusted resource for task and time management, helping cleaning professionals streamline operations with precision and efficiency. Now in its 8th edition, this comprehensive guide — now available in Metric — has been refreshed with expert insights from ISSA members and industry leaders, making it more valuable than ever. Whether you're planning routine maintenance or specialized projects, the updated cleaning times, verified product recommendations, and enhanced workloading strategies ensure you have the data you need to optimize staffing and maintain superior cleaning standards.

Since its inception in the 1960s, the **Official ISSA Cleaning Times** has been the go-to tool for service providers across various industries, from hospitality to correctional facilities. This latest edition expands coverage to all ISSA Canada member business types, integrates the latest cleaning technologies, and introduces new restoration cleaning times. With easy-to-use data, industry-specific cleaning insights, and unique identifiers for assets and areas, this guide is an essential reference for any cleaning professional.

Don't miss your chance to own this indispensable resource—get your copy today!

HELP US MAKE A DIFFERENCE!

ISSA Canada Service Project Initiative

Cleaning for a Reason is a signature ISSA Charities™ program that provides free house cleaning services to those undergoing cancer treatment. Your support helps us bring safe, clean, and healthy homes to Canadian families during some of their toughest times.

JOIN US AS A SPONSOR AND MAKE A REAL IMPACT

because a clean home is more than just a space, it's a sanctuary!

Why Partner With Us?

- **Impactful Cause:** Cancer is an immense physical, emotional, and financial burden. A clean home brings comfort and dignity to those in treatment.
- **National Reach:** Your sponsorship supports projects across Canada, helping people in multiple provinces and communities.
- **Brand Visibility:** Gain exposure to compassionate, community-minded audiences through the event, social media, and various communication drives.
- **Tangible Contributions:** Whether through cash support or in-kind donations, your sponsorship makes a direct and practical difference.

How to Get Involved?

- **Choose a Sponsorship Tier:** Select the level that best aligns with your goals and capacity.
- **Choose an Event:** Select the regional event(s) you wish to support and/or participate in.
- **Register Your Team:** Sign your team up to participate in the regional service project of your choice by [clicking here](#).
- **Celebrate Your Impact:** We will recognize your support publicly and share project stories that highlight how your generosity is making a difference.

Let's Clean for a Reason!

Your generosity helps us deliver more than just a clean home - it brings peace, dignity, and hope to individuals and families facing cancer.

***Thank you for considering a sponsorship
to truly make a difference!***

Increase the Odds of Outsourcing Success...

Choose a **CIMS-GB Certified** Company!

ISSA's **Cleaning Industry Management Standard (CIMS)** sets forth a business framework that is based on universally-accepted management principles that have proven to be the cornerstones of successful organizations.

A **CIMS-Certified** Contractor...

- Is engaged in building service contracting as its primary business;
- Has undergone a comprehensive CIMS assessment conducted by an accredited, independent third-party;
- Has adapted the six pillars of management excellence embodied in the Standard - Quality Systems; Service Delivery; Human Resources; Health, Safety and Environmental Stewardship; Management Commitment; Green Building & Service;
- Demonstrates a commitment to the environment and green cleaning methodologies;
- Supports ethical contracting practices; and,
- Is more efficient and proficient in cleaning procedures resulting in reduced labour costs.

Additionally, a professionally cleaned facility has an immense impact on the health and performance of both the building itself and the occupants within it. Why?

- ✓ **Healthy Building Syndrome (HBS)** has been proven to make people happier, healthier and more productive.
- ✓ Improved **Indoor Air Quality (IAQ)** increases employee morale and reduces absenteeism.
- ✓ Improved indoor environments lead to improved **employee retention**.
- ✓ **Reduced liability** from lawsuits over issues such as mould or workplace injury.
- ✓ A **positive public image** created by an improved building appearance.
- ✓ **Increased marketability** and **credibility** commanding higher rental rates.
